## The School: Githurai 44 Primary School

## **Some key facts:**

- Githurai 44 Primary School has 2,897 learners.
- After completion of 4 additional classrooms it will have 27 but would need 58 classrooms. On average 130 learners per classroom.
- Many existing classrooms lack windows and ceilings, also poorly furnished, newly constructed 4 classrooms not properly furnished.
- Ablution facilities include 13 pit latrines plus urinal for boys and 16 pit latrines for girls, which are only one third of required.
- Other facilities like library, ICT are missing.
- Even textbooks are in short supply.

## **Needs expressed by Principal:**

- Lockers and desks for learners
- 25 more classrooms
- Text books (English & Kiswahili for grade 4 & 5)
- Renovation of the current classrooms i.e. floor, windows, ceiling
- Ablution block: currently we've 13 pit and one urinal latrines for boys and 16 pit latrines for girls against a population of 2,897 learners.
- Laboratory and lab equipment for Junior Secondary School (classes 7-9).
- A library
- School face lift and labelling of the school entrance.
- Assembly ground cabros (interlocking concrete blocks for paving)
- Pavement and walk ways to the washrooms.
- Computer lab/ICT room and computers.

## **Ongoing support by RCNP:**

- ✓ Donation of 100 sets of desks with triple seater benches
- ✓ Donation of 37 dustbins to all classrooms and washrooms
- ✓ Installing an incinerator for proper waste management of sanitary pads (pilot project)
- ✓ Providing sanitary pads to the older girls in the school
