We will assemble Hygiene Kits to improve the health of people across town and around the globe.

1992 | HHI IS FOUNDED

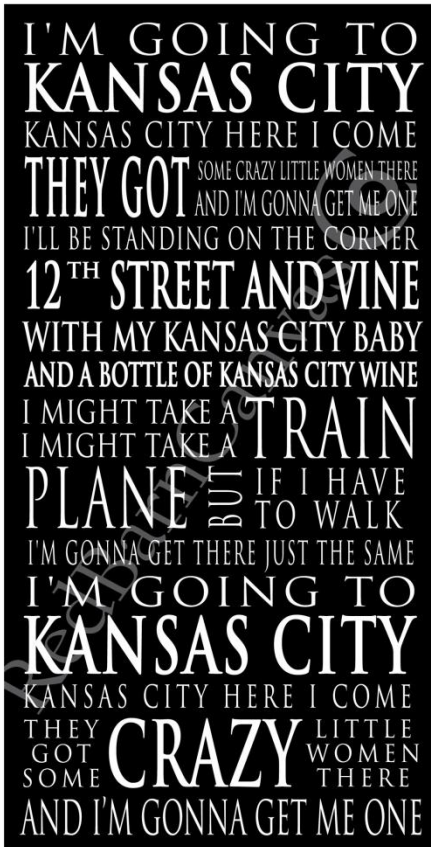

Heart to Heart International was founded.

The initial mission was an airlift of medical aid to hospitals in Russia. At the time, it was the largest private humanitarian airlift ever. Donated aid was distributed to 32 area hospitals and nine orphanages. A gift from the heart of America to the heart of Russia—the Heart to Heart Airlift—became a reality thanks to hundreds of volunteers and corporate partners.

Formed by an Olathe, KS Rotarian, Dr. Gary Morsch
